

Rucsac Virtuo Aer

Cod: UNK18103234

Made from 800D recycled polyester (equivalent to 9.7 × 500 ml PET bottles), this sustainable messenger-style backpack is designed for work, daily commuting, and travel. Virtuo AER combines minimalist design with smart functionality: padded laptop compartment for 16” laptops, secure zippered side pocket (SecureLink), and integrated trolley strap. Vegan leather accents and water-resistant materials complete a modern, durable, and practical accessory.

• Capacity: 22 L

• Lockable side pocket

• Water-resistant material
