

Cablu Flexi Charge

Cod: UNK18103059

The Flexi Charge cable combines durability with versatility in a modern, compact, and magnetic design. Made from braided nylon, aluminum alloy, and interchangeable magnetic connectors, this cable is the perfect accessory for fast charging and data transfer—whether at home, in the car, or on the go.

Compatible with the most popular devices, it features USB, Type-C, and Lightning connectors, while the magnetic design ensures easier and safer connections, preventing port wear.
