

Powercharge Wireless 10000-magnetic

Cod: UNK18102935

Powercharge Wireless 10000 - Magnetic combines cutting-edge technology with an eco-friendly design, made from recycled ABS. With a capacity of 10,000 mAh, this portable power bank supports fast 15W wireless charging through magnetic technology, being compatible with devices that use MagSafe, Qi1, and Qi2 standards. Simply place your device on the charger for a quick and effortless charge.

Features:

- 15W wireless charging – Magnetic technology ensures quick and efficient charging for your devices.
- MagSafe, Qi1, and Qi2 compatibility – Supports most wireless charging devices, including iPhones and other devices that use Qi technology.
- Large 10,000 mAh capacity – Provides enough power to charge your devices multiple times.
- Eco-friendly design – Made from recycled ABS, contributing to the protection of the environment.
- Smart safety chip – Complete protection against current fluctuations, overcharging, overdischarging, overheating, and short-circuiting.
- Magnetic and easy to use – Magnetic technology ensures quick charging, without cables.

Dimensions: 6.9 x 14.7 x 2 cm
Weight: 244 g
